

To all our Viking friends

The Halör Viking market this year is fast approaching. You will find more information here:

<http://www.reenact.se/node/18>

We think it will be nice to meet both old Viking friends and new one. As always, we ask you to help us with the practical things if needed. As always, we also take no market fee. Note that this only applies if you have registered not later than the 13 June. After this time, we charge a fee of 200 SEK / person. In addition, you may wait until the registered Vikings have got there food at the party at Saturday and during breakfast on Saturday / Sunday. Furthermore, we can not guarantee your food at these times.

Some information about this year's market

When you arrive:

This year, we will not have public parking inside the museum area. Only you who during the visit live in a camper, trailer etc are permitted to park here (before parking you must notify the Market Secretariat). All other Vikings park at the special Viking parking close to the riding school only a few hundred meters from the museum area.

NOTE: If you come late at night you can sleep in the common dormitory in Freya's hall near the museum parking. Be careful not to disturb those who already are there when you arrive.

Opening hours for The Market Secretariat

The Secretariat is located behind the main entrance of the museum. Here each of you personally must register your self.

Monday	07:00-11:00			
Tuesday	07:00-11:00			
Wednesday	07:00-11:00
